---

## OBJECTIVE

To build a career in a leading corporate Hi-Tech environment with committed and dedicated people, which will help me to explore my abilities fully and realize my potential. Willing to work as a key player in a challenging and creative environment.

---

## PERSONAL STATEMENT

I am an energetic, ambitious person who has developed a mature and responsible approach to any task that I undertake, or situation that I am presented with. As a postgraduate with two years of experience in PHP programming, I am excellent at working with others to achieve a certain objective on time and with excellence. I consider myself to be hardworking and enjoy learning.

---
